It celebrates Automobile and its enthusiasts of all ages... From 6 years old on, budding drivers can take part to the Little Big Mans on the Bugatti circuit, and all generations can enjoy activities, exhibitors village, displays, attractions, the auction and of course...

Not to be ignored is the very select Le Mans Heritage Club hosting 24 exceptional ex-Le Mans chassis. Maybe could one of your cars enter in this very restricted area? Please contact us if you wish to receive a hard copy of the invitation for the Le Mans Heritage Club* or for Little Big Mans* for juniors from 6 to 10 years old.

*All entry forms can be downloaded from our website www.lemansclassic.com.

YOUR ENTRY FILE IS TO BE RETURNED AS FOLLOWS AND AT THE LATEST

spaces, ticketing and track laps. **You are pleased to list each car to be displayed on your Club enclosure, inside the Bugatti circuit**, through the registration form we will send you with the receipt-acknowledgement message of your first order.

- 16 May: the second part is for additional services with ticketing options. **Be careful**, spaces have become rare and the closing dates will be very strict this year. Club rates will not be applicable after the deadline.

THE CLUBS AT LE MANS CLASSIC

- The Club contest – under the aegis of the FIVA and the FFVE, is open to all attending clubs. The quality of the gathered cars, their diversity and the didactic and original aspect of the exhibition will also be part of the selection criteria.
- There are few track laps in offer, meaning that it will be difficult to add a second order. They are submitted to the race events and remain at the Race Control's sole discretion.

THE PICNIC BASKETS & THE TRACK DISCOVERY LAPS

- This solution is every year more and more popular. Presented in an elegant wicker basket with especially selected fresh products, the picnic baskets are an excellent alternative to public catering.
- Do not hesitate to contact us if you need help for organising a special operation.
